

Attendance Policy Change

The lowa legislature passed new attendance laws in May that take effect this school year. We have revised our attendance policies to align with these new legal requirements. This communication is to inform you of these changes.

CLICK HERE for detailed information about the attendance change.

College Community Launches Parental Resource to Navigate Digital World

Over the summer cell phone usage and screen time have received a great deal of attention in the media. To fully address this issue, school and family partnerships are essential to support actions related to cell phone use and potential harm.

The College Community School District is providing at <u>No Cost to Parents</u> Smart Social as a tool to all parents and staff. Smart Social is updated daily and weekly, curated by professionals, parents and students to address a number of topics related to technology and school-age children.

Volunteer at Prairie

Prairie Pals is a volunteer program aimed at enhancing students' self-esteem, reading skills, and school engagement through consistent, positive adult interaction. Volunteers, known as Prairie Pals, commit to spending regular time with student(s), providing individualized support and encouragement. Parents should consider signing up to volunteer because it offers a valuable opportunity to make a meaningful impact on students' academic and personal development. By fostering self-motivation and responsibility, Prairie Pals help create a supportive environment that contributes to students' overall success and enthusiasm for school.
